Our Katrina experience was:
My house, which was less than a year old, is not livable. But I must pay off the mortgage! My grandson's house, which was next door to mine, is too bad to be rebuilt. A son's home, in Diamondhead--on Coelho Way, was completely swept away. Not a trace (over→)

Write something special that you would like Santa to bring you or your family:
I would like a good radio (Grundig--or--) AM, FM, SW, all bands to be operated from AC or/and DC.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

Katrina Experience.

I am waiting for a FEMA trailer. If I put a trailer on my property, I can make the mortgage payments. But I cannot pay rent somewhere and meet the mortgage payments, too. I do not know when I can afford to have my house reconstructed. The State Farm Ins. Co is not going to help.
